Mick Kunze

On Local History , Ghosts and his Murals with a few maps thrown in .Will take you on a journey of humour and interest with Micks Illustrated history of the 1916 and Murals representing local characters around Kilcoole and Wicklow . Beware that Ghostly tale .

Charlene Vidal Contemporary Dancer

I will be performing a dance extract from my dissertation project 'Soul'. This will be a short solo of 'lyrical contemporary' dance. A primary focus in lyrical dance is the artistry in displaying the underlying emotion of the work. The creative nature of contemporary dance allows for the explorative approach in the choreography.

Dance has so many great health benefits. Take each and every opportunity to dance!
